Re: Records Request PR061

Dear Mr. Jensen,

This is in response to your letter to our offices dated January 26, 2009, requesting Chameleon records for the time period of January 2007 through December 2008 under the Public Records Act, Government Code ' 6250, et seq.

Since you have requested a compilation of Chameleon records in electronic format, this requires our IT division to create a specific SQL query for the information and then export that information into Excel. You will be charged for creating that compilation as permitted under Govt. Code Sec. 6253.9 (b)(2). We estimate that it will take two (2) hours to create this electronic record at \$32.00 per hour. Kindly send us your check for \$64.00 so that we can create this record for you.

If you have any questions, please do not hesitate to contact me directly at 562-256-2404.
